I would like to start this newsletter with a big “THANK YOU” to all of you whom helped make our show a success. With out your help our show would not happen. I would like to give a special thanks to Cathie for all her work, and time given, to make it all happen. This is truly an amazing club to be a member of, all of you make everything seem so easy, I find it a privilege to be a member of such a great group. Again a great “THANK YOU” to all of you.

I know this fall will go fast so be thinking about a topic for next year’s cachet for are show cover. At the September meeting will have a complete report on the results of our show which will help us make any adjustments we will need for next year, such as table fees etc. to cover the additional rental costs expected.

Presidents message

Continued from front page.

There will be a slide show presentation by Dick, of photos taken by Karen at our show. After the slide show Roger will give a talk on “**Postal cancels of Private Railways in Switzerland**”.

I saw several you down at the A.P. S. show in Portland, and also several of our Canadian friends. It was nice that so many of you could make it and enjoy all the great displays. The displays were really great, not to mention one of few times we get to see such high quality material on display.

Hope all of you have as great start to the fall season.
